Investigations and Security Consulting

When you need ALL of the facts...

Our professionals support your litigation needs

At McCabe Associates, we understand the complexities of trial preparation. From case to courtroom, McCabe Associates' professionals will support your litigation needs.

With our 15 years of actual trial experience you can be confident that McCabe can be successful for you. Contacts and relationships built from years in law enforcement puts McCabe in a position to get pre-trial information not available to others. We compile information for case preparation to allow you to determine the direction a case should take. We provide expert testimony if needed.

McCabe Associates can provide services for criminal, civil, insurance, personal injury, and family law. We have extensive experience in conducting complex, large-scale, multi-jurisdictional, local, national and international investigations.

Law firms count on us to provide:

- Background Investigations
- Computer Forensics
- Due Diligence Investigations
- Electronic Countermeasures
- Employee Termination
- Forensic Accounting
- Intellectual Property Protection

Each member of the McCabe Associates team of experts provides a superior level of performance and professionalism to our clients. Our tradition of excellence is based upon experience, integrity and trust all in the best interest of our clients.
