(October 3, 2007) - **CNBC interviews Mark McCabe**

Mark McCabe, a former chief criminal investigator for the Monroe County District Attorney's Office, will be featured tonight on CNBC's *Business Nation* for his work in breaking up counterfeiting rings in South America.

McCabe left the office in 1992 and founded the McCabe Associates private investigation and Security Company.

The show is scheduled to air at 9 tonight and at various times throughout October.
